First Say Hello

***Is English your second language?
Then come and say hello, meet your neighbours and
make new friends while practising English***

First say Hello is a friendly weekly gathering for people learning English as a second language.

Meet new friends from your neighbourhood. Feel confident about going shopping, eating out, talking to the school or your doctor, finding out about recreation opportunities, taking transit and much more.

Discover local activities and events and share celebrations from your own culture with others.

We will meet on Fridays starting on May 6th, 1-2:30pm at the Mollie Nye House

The tea and coffee will be on, so bring a mug and be prepared to "say hello"

EDIBLE GARDEN PROJECT

We accept donations of homegrown produce for the Harvest Project on a year round basis. Please drop your spare produce between 10am and 4pm, Monday –Friday.

And if you are starting veggie seedlings at home, consider sharing a few with us for our community garden; you will be helping those most in need in your community... this year all the produce donated to the EGP will be used in the community in which it was grown!

THANK YOU
